## EMERSON JAZZ FOR OUR SCHOOLS

**E**merson Jazz in the Schools allows students to experience world-class jazz musicians in a world-class venue, the Ferring Jazz Bistro. School groups attending a performance arrive at 11 am for lunch, provided by Jazz St. Louis, followed by a performance and conversation with one of our amazing artists in the Ferring Jazz Bistro. Performances finish by 12:30pm.

Each of the internationally-renowned musicians on the Jazz St. Louis subscription series participate in this program, which is offered at no cost to schools, teachers, or students. Jazz St. Louis is also able to reimburse transportation costs for any school wishing to attend.

This program is made possible through generous funding from Emerson.
